quotation for: SUPPLY OF AC INCLUDING ODU STAND

**UNIVERSITY OF CALICUT
DEPARTMENT OF ZOOLOGY**

QUOTATION NOTICE

Sealed quotations are invited for the supply of the materials specified in the schedule attached below/overleaf. The rates quoted should be for delivery of the articles at the place mentioned below the schedule. The necessary superscription, due date for the receipt of quotations, the date up to which the rates will have to remain firm for acceptance and the name and address of officer to whom the quotation is to be sent are noted above. Any quotation received after the time fixed on the due date is liable to be rejected. The maximum period required for delivery of the articles should also be mentioned. Quotations not stipulating period of firmness and with price variation clause and/or 'subject to prior sale' condition are liable to be rejected.

The acceptance of the quotations will be subject to the following conditions:

1. Acceptance of the quotation constitutes a concluded contract. Nevertheless, the successful tenderer must within a fortnight/a month after the acceptance of his quotation furnish 5 per cent of the amount of the contract as security deposit and execute an agreement at his own cost for the satisfactory fulfillment of the contract, if so required.
2. Withdrawal from the quotation after it is accepted or failure to supply within a specified time or according to specifications will entail cancellation of the order and purchases being made at the offerers expenses from elsewhere, any loss incurred thereby being payable by the defaulting party. In such an event the Government reserves also the right to remove the defaulter's name from the list of Government suppliers permanently or for a specified number of years.
3. Samples, duly listed, should be forwarded if called for under separate cover and the unapproved samples got back as early as possible by the offerers at their own expenses and the Government will in no case be liable for any expenses on account of the value of the samples or their transport charges, etc. In case, the samples are sent by railway; the railway receipt should be sent separately, and not along with the quotation since the quotation will be opened only on the

appointed day and demurrage will have to be paid if the railway parcels are not cleared in time. Quotations for the supply of materials are liable to be rejected unless samples, if called for of the materials tendered for are forwarded. The approved samples may or may not be returned at the discretion of the undersigned. Samples sent by V.P. Post or "freight to pay" will not be accepted.

4. No representation for enhancement of price once accepted will be considered during the currency of the contract.
5. Any attempt on the part of tenderers or their agents to influence the Officers concerned in their favour by personal canvassing will disqualify the tenderers.
6. If any license or permit is required, tenderers must specify in their quotation and also state the authority to whom application is to be made.
7. The quotation may be for the entire or part supplies. But the tenderers should be prepared to carry out such portion of the supplies included in their quotation as may be allotted to them.
8. (a) In cases where a successful tenderer, after having made partial supplies fails to fulfill the contracts in full, all or any of the materials not supplied may, at the discretion of the Purchasing Officer be purchased by means of another tender/quotation or by negotiation or from the next higher tenderer who had offered to supply already and the loss, if any, caused to the Government shall thereby together with such sums as may be fixed by the Government towards damages be recovered from the defaulting tenderer.
(b) Even in cases where no alternate purchases are arranged for the materials not supplied, the proportionate portion of the security deposit based on the cost of the materials not supplied at the rate shown in the tender of the defaulter shall be forfeited and balance alone shall be refunded.
(c) Any sum of money due and payable to the contractor (including Security Deposit returnable to him) under this contract may be appropriated by the Purchasing Officer or Government or any other person authorized by Government and set-off against any claim of the Purchasing Officer or Government for the payment of a sum of money arising out of or under any other contract made by the contractor with the Purchasing Officer or Government or any other person authorized by Government.
9. The prices quoted should be inclusive of all taxes, duties, cesses, etc., which are or may become payable by the contractor under existing or future laws or rules of the country of origin/supply or delivery during the course of execution of the contract.
10. (a) Ordinarily payments will be made only after the supplies are actually verified and taken to stock but in exceptional cases, payments against satisfactory shipping documents including certificates of Insurance will be made up to 90 per cent of the value of the materials at the discretion of Government. Bank charges incurred in connection with payment against documents through bank will be to the account of the contractor. The firms will produce stamped pre-receipted invoices in all cases where payments (advance/final) for release of railway receipts/shipping documents are made through Banks. In exceptional cases where the stamped receipts of the firms are not received for the payments (in advance) the unstamped receipt of the Bank (i.e. counterfoils of pay-in-slips issued by the Bank) alone may be accepted as a valid proof for the payment made.
(b) The tenderers shall quote also the percentage of rebate (discount) offered by them in case the payment is made promptly within fifteen days/within one month of taking delivery of stores.
11. Any sum of money due and payable to the successful tenderer or contractor from Government shall be adjusted against any sum of money due to Government from him under any other contracts.

12. Special conditions, if any, printed on the quotation sheets of the tenderer or attached with the tender will not be applicable to the contract unless they are expressly accepted in writing by the purchases.

Specifications:

Specifications for Air conditioner

Name of the Work: Supply, Installation, Testing, and Commissioning of Air conditioner at Department of Zoology

Parameter	Specification Requirement
Function	Cooling
Rated Voltage	230 V
Operating Voltage Range	220 V - 240 V
Rated Frequency	50 Hz
Total Cooling Capacity	2ton (6100 W or above)
Rated Input Power	Approx. 1955 W
Rated Current	9 A
Air Flow Volume	Minimum 1050 CMH (Dry)
ISEER / EER	Minimum 3 W/W
Indoor Unit - Blower Motor	Output: 30 W; Speed range: 950-1250 rpm
Indoor Unit - Blower (Fan)	Cross Flow type; Size: Ø107.5 × 810 mm
Indoor Unit - Evaporator	Copper tubes, minimum 2 rows
Indoor Unit - Swing Motor	DC motor, 12 VDC

Indoor Unit – Sound Level	≤ 46 dB(A)
Indoor Unit – Dimensions	Approx. 1100 × 287 × 352 mm
Indoor Unit – Net Weight	Approx. 14 kg
Outdoor Unit – Compressor	Rotary type; Nominal Rotor Current: 8.8 A
Outdoor Unit – Refrigerant	R32; Charge: Approx. 840 gms
Outdoor Unit – Condenser	Copper tubes with Aluminium louvered fins; minimum 2 rows
Outdoor Unit – Fan Motor	Output: 54 W; Current: 0.48 A; Fan: 3 blades, Ø438 mm
Outdoor Unit – Operating Pressure	Discharge side: 4.3 MPa; Suction side: 2.5 MPa
Outdoor Unit – Dimensions	Approx. 781 × 281 × 555 mm
Outdoor Unit – Net Weight	Approx. 32 kg
Refrigeration Pipes	Liquid Pipe: Ø6.35 mm (1/4") Cu; Gas Pipe: Ø12.7 mm (1/2") Cu
Additional Refrigerant	30 g per meter
Onsite Warranty	Minimum 5 years comprehensive warranty on entire unit including PCB and 10 years on compressor
Standards & Compliance	BIS/ISI certified; Energy efficiency as per BEE norms; Environment-friendly refrigerant (R32)
Installation	Inclusive of installation, copper piping up to 4 meters, drainage pipe and wall bracket
Service Support	OEM authorized service centre within Kerala; response time ≤ 48 hours
Number of free services during the Comprehensive Warranty on Air Conditioner/Machine	2 services per year during the warranty period
Commissioning 5 KVA Voltage stabilizer (voltage range of 175 -275 V and output range of 210 -240V)	Yes
Approximate Price	₹66,000/-

Preferred Make

DAIKIN, MITSUBISHI, CARRIER, GODREJ,
LG, BLUESTAR, VOLTAS

Terms & Conditions: -

5 Years comprehensive on-site warranty should be provided for the entire Equipment & Installation.

Bidder should have registered office in Kerala (documents should be submitted along with the bid).

The bidder should have direct engineer within 100km from the location for installation and maintenance (Documents should be submitted along with the bid).

The bidder should depute an experienced service engineer/ technician for assembling, installation and commissioning at the site.

Bidders/ OEMs should provide an Escalation Matrix detailing telephone numbers for service support at each relevant level (documents should be submitted along with the bid).

The bidder should make all arrangement for assembling, installation, commissioning of the equipment at the site.

Problem resolution should be done within 48 hours of the registration of the complaint.

The work order copies of the quoted brand should be submitted as proof of past performance.

The bidder should submit a compliance sheet along with the model number of the quoted product and Data Sheet. The quoted model must meet all specified parameters and any deviation may result in the rejection of the bid.

OEM should have Service Centres in Kerala (documents should be submitted along with the bid).

The installation should be completed within 2 weeks of receiving the Supply/ Work order

Bidders must be either Original Equipment Manufacturers (OEMs) or authorized dealers of OEM. If the bidder is an OEM-authorized dealer, they must submit a Manufacturer Authorization Form.

The bidder should visit and inspect the proposed site for installation and study the site condition prior to the submission of the tender, to have an overall idea of work without affecting the aesthetic look of the building and to work out a time frame for completing the work in the specified period. In this regard, the bidder should upload a statement, mentioning that "I/ We have visited the proposed site in the University of Calicut and studied the site condition properly". Otherwise, the tender will be rejected.

The existing old Air Conditioner (s) in the proposed site (if any) should be dismantled and handed over by the bidder.

OEM for the indoor & out door unit of the Air Conditioner should be of the same brand.

The bidder/OEM should have a minimum turnover of Rs. 1 Crore or above during the past three years (supporting documents to be submitted along with the bid).
